Letter No. 430/A/31, dated the 17th April, 1931, from the Commissioner of Police, Civil and Military Station, --- Bangalore.

The Commissioner of Police, Civil and Military Station, Bangalore, states that Sergeant Thompson has a wife and --- five children and is unable to pay the hospital charge of Rs. 40/- as he has been on half pay since 26th December, 1930. He therefore recommends that the amount may be paid out of the Resident's discretionary grant.

The Resident's discretionary grant is intended for the payment of grants to Charitable Institutions. It cannot therefore be used for the purpose stated by the Commissione of Police. Under note 1 to Rule 5 of the Resident's ----- Proceedings No. 991, dated the 1st February, 1926, it is left to the discretion of the Residency Surgeon to charge a reduced fee or to remit the fee entirely when he is ---- satisfied that the means of the patient do not admit of --- full or partial payment of fees.

A copy of P.U.C. may perhaps be sent to the Residency Surgeon, Bangalore, with the request that he will kindly inform this Residency whether in the circumstances stated by the Commissioner of Police, the hospital dues due by Sergeant W.F.Thompson cannot be remitted or reduced by him under the above rule.

Draft endorsement is submitted for approval.
